Book Now and get a 20% discount!	20 euros per child
<p>Relevant Information:</p> <p>All fees are based on a minimum group of 16 and maximum of 30 children We work with small ratios. For the quality of the programme groups are likely to be divided during the session.</p> <p>The school must provide a minimum of one teacher for groups of up to 16 children or two teachers for groups between 16 and 30 children.</p> <p>We are only accessible by small buses (20 seats) meaning that groups larger than 20 must come in two vehicles. We regularly work with Autocares Alegre. If you would like to get in touch with them we will be happy to help.</p> <p>Sessions can last between 3 and 6 hours (this does not affect pricings): The earliest start is 9.30 and latest departure time is 15.30</p>	

Other important information:

We are an all weather program, in fact most kids say the 'best days' are the wet ones! Because that means wet racing, mud digging and puddle jumping.

Activities are planned to last for approximately half of the session. We are child-led, meaning we will follow the interests of your children. So please be aware that whilst you may sign your class up for a particular activity or theme with a particular end product in mind, children may find something else far more interesting to do!

While we will do our best to meet your needs including dates, timings and content to meet your individual needs we are only able to do this if you provide us with enough notice for preparation. Please be aware that we are a small project and we can book up quickly. Bookings are only confirmed with payment in full.
